

Houston, TX 1999 Wastewater Lift Station

Manufacturer:

Raven Lining Systems
13105 E. 61st Street,
Suite A
Broken Arrow, OK 74012
(918) 615-0020

Location:

13105 Old Westheimer Road, Houston, Texas

Owner:

Greater Houston Wastewater

Date of Project:

February-March 1999

Product(s):

[AquataPoxy® A6](#)

Type of Structure(s):

Wastewater lift station 50' diameter 70' deep

Condition of Structure(s):

Moderate deterioration of precast walls

Description of Application:

The surface was prepared by water jetting (10,000 psi) and abrasive blast. AquataPoxy® A6 was spray applied at 60 mils to rehabilitate the surface integrity and provide long-term corrosion protection.
