

Memphis, TN 1994 Lift Station

Manufacturer:

Raven Lining Systems
13105 E. 61st Street,
Suite A
Broken Arrow, OK 74012
(918) 615-0020

Location:

Kimbrough Road Pump Station Memphis, Tennessee

Owner:

City of Memphis

Date of Project:

July 1994

Product(s):

[Raven 405](#)

Type of Structure(s):

Lift station

Description of Application:

A pump station with multiple chambers and junction boxes was built in early 1994. All interior surfaces are protected with Raven 405 epoxy. When the station was opened for inspection in 1999 all areas were found in excellent condition. Several additional lift stations have been specified to be protected and rehabilitated with Raven 405 system in 1999 and 2000.
