

Welcome to the Raven Family...

AQUATAFLEX

Building on the rich heritage of our AquataPoxy brand, Raven introduces the next generation of engineered solutions for the water industry, AquataFlex. This new series continues to advance the innovative technology that is expected in the industry. The AquataFlex lining system was designed for emersion use with the ability to spray with multiple application processes and a variety of equipment options.

BENEFITS OF AQUATAFLEX SERIES:

- NSF/ANSI 61 Certified
- Rapid cure times
- Environmentally friendly, 100% solids
- Quick return to service
- High elongation
